

## Clinical Consultant/ Group Facilitator

4-6 hours monthly

Standing meeting 1-3p e.o. Thursdays, plus preparation time

Small, vibrant agency serving survivors of Domestic Violence seeks an experienced consultant to guide our direct service team in biweekly discussions. Ideal candidate will have strong knowledge of, and experience in: domestic violence work, trauma informed and client centered services, antiracism, systems work, team dynamics, trust building.

### Tasks:

- Facilitate clinically oriented discussions amongst multidisciplinary team members, with range of life and academic training
- Provide psychoeducation focused on increased understanding and support for clients
- Support healthy management of conflict and exposure to trauma

### Time commitment:

- 2 hours biweekly direct support, currently via zoom, eventually in person

### Requirements:

- Demonstrated experience in similar roles
- Training in domestic violence, trauma, group facilitation, teambuilding
